CM Internet Churn allows customers with an existing ADSL Broadband connection at another Broadband provider to transfer to CM Internet without losing their existing connection and an easy smooth transition to CM Internet. In order for you to be able to Churn to CM Internet, your existing broadband provider must also be participating in this process. It is your responsibility to check your existing terms of agreement with your existing provider.

Declaration

- I/We understand:
- The Services are provided on CM Internet's Terms and Conditions for Internet Services displayed at www.cmi.net.au and agree that CM Internet's obligations commence when my/our Application is accepted
 - The ADSL plan, connection and hardware option I/we have selected.
 - The prices are for self-installation with phone support.
 - That connection will take typically 5 to 10 business days to be completed, unless notified. (Connection is dependent on port availability, distance, and your provided telephone lines ability to support ADSL.)
 - This ADSL service is only able to be used at the premises installed and is not transportable.
 - Plan changes or cancellations must be advised in writing, using CM Internet's appropriate form available on request and will become effective in the next billing period.
 - That if I/we wish to change our plan a \$20 Administration fee applies. If this change of plan is to a higher dollar value plan this fee will be waived.
 - That if I/we cancel our ADSL contract within the first 6 months of connection a \$69 early termination fee applies in addition to any waived fees. The early termination fee does not apply to a no contract plan.
 - In the case of a 24 month contract, the cancellation fee is \$99 in the first 12 months, in addition to the early termination fee if applicable.
 - ADSL service may not be suspended, and if I/we cancel this ADSL account and reconnect at a later date a new connection fee will be incurred.
 - That if I/we wish to move our ADSL connection to another premises a \$99 fee applies
 - WAIX Allowance traffic is determined by CM Internet and is subject to change without notice.
 - Download Allowance is deemed to be all traffic that is not classed as WAIX Allowance traffic.
 - If either allowances' download limit is reached, the remaining allowance of the other allowance is forfeited, and shaping is applied to the entire connections traffic.
 - All services provided by CM Internet must be paid in advance, except by written agreement by CM Internet management. If the account is not in credit, the account may be disconnected at CM Internet's discretion.
 - All accounts must be paid by credit card (monthly), direct debit (monthly), or cheque (6 or 12 months in advance), except where written permission from CM Internet management exists.
 - CM Internet will aim to provide the best service possible, but cannot be responsible for any loss of service, data or goods regardless of whose fault it is.
 - The service will not be used for any illegal or anti-social purposes, or breach any of CM Internet's Terms & Conditions for Internet Services. Any breach of these terms may result in CM Internet canceling the account.
 - If CM Internet disconnects the service due to non-payment or breach of Term's and Conditions, cancellation charges will be applied to the account, and the client will incur all fees in reactivating the account.
 - That CM Internet may send me marketing and other offers from time to time. If you don't wish to receive these please tick the box to opt out. Opt Out
 - I/We have read and understood CM Internet's Terms and Conditions for Internet Services (as displayed at www.cmi.net.au or as sent to me/us by CM Internet at my/our request) and agree to abide by them.
 - I/We verify being over the age of 18
